YETI TUMBLER BEVERAGE PRESERVER

YETI Rambler Tumblers are made with kitchen-grade 18/8 stainless steel and double-wall vacuum insulation.

The result is a tough, hard-wearing dishwasher safe personal drink cooler that maintains ice twice as long as plastic tumblers – and it works just as well for hot beverages.

Legend has it that after a devastating fire, a YETI Rambler was found in burning wreckage. First responders opened the lid to find a cold beverage, complete with ice cubes.

20 oz. (\$ 27.50) 30 oz. (\$ 35.70)

YETI COLSTER

THE PERFECT CHILL

The YETI Rambler Colster represents the next evolution in can-insulating, hand-protecting technology. All the powers of modern science were brought to bear on this drink insulator to keep the contents of your 12 oz can or bottle chilled.

(\$ 25.20)

THE RIGHT WAY TO DRINK RESPONSIBLY.

These stainless steel, vacuum insulated Ramblers will keep your beverage as cold as science allows.

YETI LOWBALL
(\$ 21.00)

YETI COOLERS BUILT FOR THE WILD

The best heavy-duty coolers around, YETI coolers come in a variety of sizes for wilderness expeditions, hunting, fishing, tailgating, and more.

YETI ROADIE 20 LIGHT & PORTABLE

Small but mighty, the YETI Roadie is the best personal cooler you'll ever find to protect your drinks from the heat. Built with the same hardy one-piece construction and ice-retaining insulation as the Tundra ice chests, this small personal cooler is equipped with a heavy-duty stainless steel handle for better portability.

(\$ 208.00)

YETI HOPPER LEAK-PROOF ICE BAG

A personal, puncture-resistant, anything but soft-sided cooler that sports an anti-microbial liner that resists mildew.

The Hopper materials are sourced from some pretty unexpected places, like hazmat suits and high performance whitewater rafts. It's the leakproof, ice-for-days, tough-as-nails portable cooler that allows you to go farther into the wild.

20 qt. (\$ 251.50) 30 qt. (\$ 295.00)

Available Upon Request

YETI TUNDRA ROBUST & HEAVY DUTY

The YETI Tundra cooler is a heavy-duty generalist, equally adept at keeping your catches cold in the field or serving as the drink-and-food hub for a tailgate, party, or other times of general revelry. YETI Tundra ice chests are plenty roomy. Whatever you choose to chill, you know this top-quality cooler will keep it cold longer thanks to 2 meaty inches of insulation and our cold-keeping gasket.

65 QT

WHEELED ELITE SIMPLE MOBILIZATION

This trolley handled rendition of the Pelican Elite cooler has built-in bottle opener, and wheels for an easy hike with an otherwise heavy load.

Like the other elite coolers, it comes complete with a declined slope drain and a fish scale on the lid.

45 qt. (\$ 240.50) 80 qt. (\$ 410.00)

S100 SPORT ELITE

TAKE A HIKE, SERIOUSLY.

The Pelican S100 Sport Elite Laptop Backpack has a built-in watertight and crushproof case. It also includes a removable hip belt that adds even more support while you're in transit.

(\$ 117.50)

U100 URBAN ELITE

THE SAFEST LAPTOP CARRIER

The U100 Urban Elite Backpack from Pelican delivers total functionality and ergonomic design in a strong pack designed to hold either your 15" or 17" laptop.

In addition, its hard shell, impact protected front panel unzips to reveal another safe compartment large enough for a smaller tablet.

(\$ 183.50)

PELICAN CASES

PELICAN™

PROTECTOR CASES THE NEXT LEVEL FOR STORAGE

Made in the USA, these tough cases are designed with an automatic purge valve that equalizes air pressure and a watertight silicone O-ring lid.

So if you've got a camera that needs to stay dry, a gun that needs to stay dust-free or a laptop that has to work when it's needed most- go with a Pelican Protector Case™ wherever your adventures take you.

Completely Customized Cases - Call For Pricing

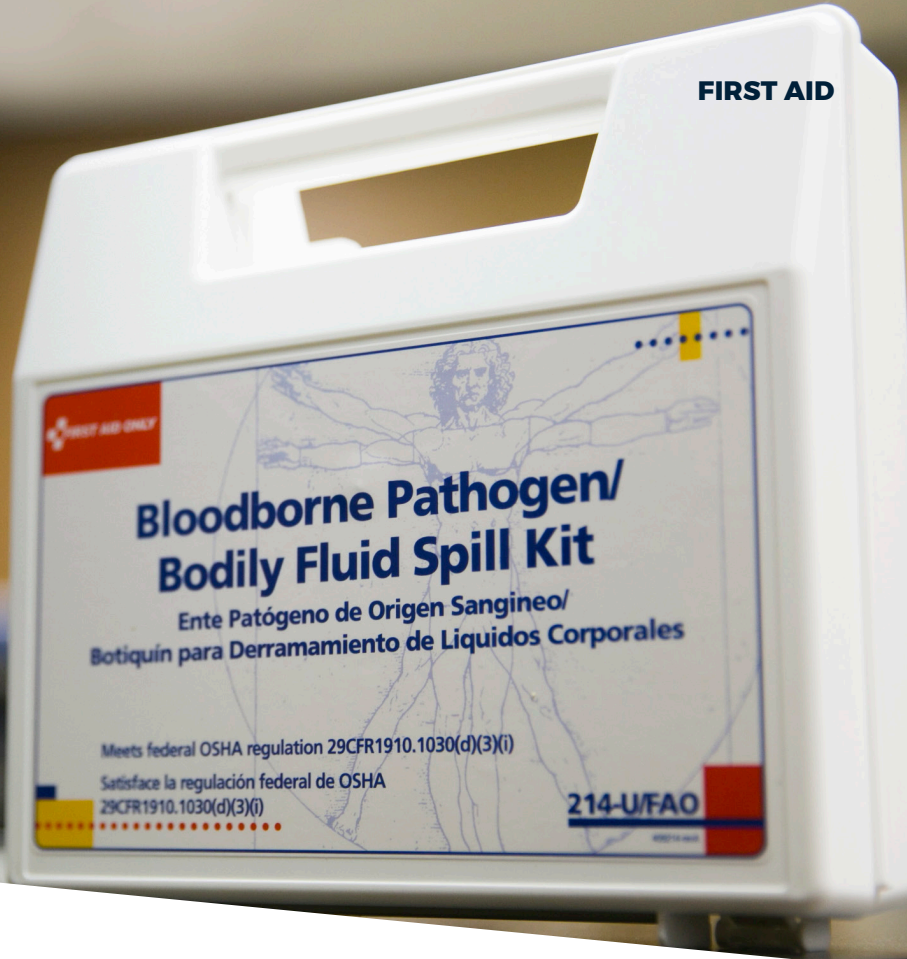

PELICAN™

BIOHAZARD KIT FOR SANITARY CLEANUP

This kit includes a complete head-to-toe defense package for fluid pick-up necessities and against bio-hazardous contaminants.

Complete with antiseptic towelettes, shoe covers, vinyl gloves, biohazard bags, and much more. Included with a fluid pick-up guide that has step-by-step instructions for the user.

(\$ 21.50)

GENUINE FIRST AID KIT FOR WHEN ACCIDENTS HAPPEN

Genuine First Aid's 25 Person First Aid Kit comes with 16 adhesive bandages, aspirin, alcohol pads, medical gloves, antiseptic, burn ointment, and more.

(\$ 30.00)

DEFIBRILLATOR UNIT COMBATting CARDIAC ARREST

The Philips HeartStart Defibrillator is the first and only defibrillator available without a prescription.

Designed with you in mind, HeartStart is easy to set up and includes automatic Life Guidance features like voice prompts and CPR coaching to help guide you step-by-step through the treatment of sudden cardiac arrest.

(\$ 1520.00)

PIGSKIN GLOVES UNLINED LEATHER

MCR Leather Drivers Pigskin Gloves have excellent abrasion resistance, while offering the greatest breathability due to the porous nature of the hide and becomes softer with use. The gloves will inherently retain their natural softness after exposure to water.

(\$ 4.50)

X10 IMPACT GLOVES THE KNUCKLEHEAD SOLUTION

Knucklehead Driller X10 Impact Gloves utilize polyester in the palm for a firm grip, and vibrant coloring on the back for high visibility. Thermal plastic rubber is located in optimal locations to protect hands from heavy impact.

Ideal for use in construction, carpentry, demolition, or while operating heavy machinery.

(\$ 16.00)

PREDATOR® GLOVES FULLY COATED ROUGH NITRILE

The MCR Predator® gloves feature fully coated rough premium nitrile on a soft jersey liner.

These glove offer unmatched protection with their cut, abrasion, snag, and puncture resistant coating.

(\$ 4.50)

DOTTED GLOVES ALL-PURPOSE PROTECTION

The MCR Dotted Cotton Canvas gloves are designed for general purpose applications.

They keep your hands clean and cool, while the PVC dots provide a firm grip and abrasion resistance.

(\$ 1.50)

GLOVES

CLUTCH GEAR MECHANICS GLOVE

Superior Glove's Clutch Gear® Impact Protection Mechanics Glove features dense, thermo-plastic foam rubber patches at the back of the hand to protect only in the places where impact occurs, so the glove always maintains flexibility.

(\$ 19.50)

TOP GRAIN LEATHER HIGH QUALITY DRIVER'S GLOVES

PIP's Top Grain Cowhide Driver's Gloves leather exterior is smooth, but provides durability and dexterity. They feature a slip-on styling to provide good fit and comfort, with a keystone thumb to reduce hand fatigue.

(\$ 69.50)

COTTON GLOVES WITH CORDED KNITWRIST

Global Glove's 18 Oz. Cotton Corded Knitwrist Gloves are an economic solution to the problem of hand protection. They can be used for construction, landscaping, oil field work, and bakeries to name a few.

(\$ 1.75)

MSA V-GARD THE ULTIMATE HELMET

The MSA V-Gard Helmet is known for their distinctive trademark “V” design.

This unique helmet has been a mainstay for many years on even the toughest worksites, and is world recognized for its comfort, quality, and durability.

It’s the only helmet Enersafe trusts to get the job done.

(\$ 13.50)**

THUNDER® EARMUFFS CAP INTEGRATED EAR PROTECTION

Howard Leight Thunder® Earmuffs are designed with all-day comfort in mind. The Thunder series features patented Air Flow Control™ technology for optimal attenuation across all frequencies and also snap-in ear cushions for easy maintenance.

Compatible with **MSA V-Gard Front Brim Cap.**

(\$ 18.50)

RUBICON GLASSES SCRATCH-RESISTANT SAFETY

MCR Rubicon Safety Glasses have a curved frameless lens design offering a close orbital seal. The gel nosepiece is soft on the nose, yet secure to the face to prevent a loose fit.

Rubicon has a strong, lightweight polycarbonate lens that comes in several different color options, including the popular "Fire Mirror" pictured above.

(\$ 13.50)

I-PROTECT GLASSES SAFETY FOR A TIGHT BUDGET

ERB iProtect Safety Glasses feature a comfortable, ultra lightweight, frameless design that meets every regulation requirement.

The anti-fog coating provides resistance to moisture in high humidity environments and occurrences of sudden temperature shifts, as well as UV Protection.

(\$ 1.60)

NEMESIS GLASSES GLARE-FREE SMOKE LENSES

Take eye protection to the next level with Jackson's Nemesis Polarized Glasses, which eliminate reflective glares from the sun, reducing eyestrain and increasing work productivity.

(\$ 8.50)

PROGEAR™ TACTICAL 2350
POCKET-SIZED FLASHLIGHT
(\$ 32.50)

SMALL LIGHT 1910
PERSONAL COMPACT DEVICE

Pelican's new ultra compact aluminum 1910 flashlights are designed with style and function in mind. These bright LED lights create a clean white beam using a single AAA battery. Long burntimes combined with hi-lumen output make for an efficient lighting tool; the perfect personal light.

(\$ 20.99)

PELICAN™

HEADS-UP LITE
HANDS-FREE HEADLIGHT

This wearable lighting solution has a pivoting head to aim light at the perfect angle while using both your hands to work.

(\$ 31.00)

PROGEAR™ 1810 MINI
PELICAN LED KEYCHAIN LIGHT

This little guy packs a powerful punch of lumens. Water-resistant, durable, and extremely handy whenever you find yourself in a dark situation.

(\$ 9.50)

LAPCO FR COVERALLS

PREMIUM HIGH-QUALITY FABRIC

LAPCO Fire Resistant Coveralls have triple needle stitching on the inseam, out seams, and arms to make sure you stay put together. Lightweight fabric and elastic at the back of the waist makes this coverall comfortable and gives a professional fit.

Pencil pockets on left arm and left chest, two zippered chest pockets, right back and left zippered back patch pockets, and a tally book pocket on the left leg to keep your important items secure and within easy reach.

Color Options include Gray, Navy, Khaki, Orange, Red, Spruce Green, and Royal Blue.

(\$ 80.00)

LAPCO FR JEANS

KEEPING FLAMES AT BAY

LAPCO FR Jeans are made tough to handle the rigors of the job.

These garments include many features for protection, convenience, compliance, and comfort. There are several styles to choose from.

- Blue Denim (\$ 48.00)
- Modern (\$ 50.00)
- Relaxed Fit (\$ 52.00)
- Carpenter (\$ 57.00)

SCOTCHLITE VEST HIGH VISIBILITY WORK ATTIRE

The fluorescent yellow design with 3M Scotchlite Reflective material provides 360° visibility. Keep yourself covered with this vest when working day or night in a dangerous area to make sure you don't go overlooked.

(\$ 8.00)

FR UNIFORM SHIRTS COMFORT. STYLE. COMPLIANCE.

LAPCO FR Uniform Shirts simplify work life by keeping you cool, dry, and safe. Uniform style comes in both a male and female fit to avoid a loose unisex fit.

There are four rows of lock stitching sewn with Nomex® thread on the front placket to prevent unraveling and double needle stitching on pockets, flaps, and shoulder seams.

Color Options include Medium Blue, Gray, Navy, Khaki, Orange, Red, Spruce Green, and Royal Blue.

(\$ 62.00)

PROTECTA PRO™ HARNESS

SAFELY AND COMFORTABLY DEFY GRAVITY

The DBI-SALA® Protecta PRO™ Harness has back and hip rings, a quick connect buckle on the legs, and a chest connector.

PRO Harnesses incorporate a better fit and durable yet lightweight construction giving greater comfort and added safety – which translates to reduced worker fatigue and increased productivity.

(\$ 150.00)

EZ-STOP LANYARD

A SHOCK ABSORBING TIE-OFF

EZ-Stop™ Lanyards feature the world's smallest and lightest shock absorber, water-repellant and abrasion-resistant webbing and a build quality that is second to none.

(\$ 220.00)

EXOFIT NEX HARNESS

WORK WITH MAXIMUM EFFICIENCY

The DBI-SALA® ExoFit NEX™ harness gives workers a ground-breaking design so they can work smart, fast and safe, increasing productivity.

Designed using soft yet extremely durable anti-absorbent, abrasion resistant webbing of lasting strength, these harnesses can withstand the most severe demands, day in, day out. They are built to perform to the highest standards in the harshest environments.

This harness features a hybrid shoulder, back and leg comfort padding. The 18" Tech-Lite aluminum back D-ring extension allows the D-ring to be positioned over shoulder during connection, ensuring safe attachment to your fall arrest system.

(\$ 410.00)

DBI-SALA ROPE GRAB

AUTOMATIC FALL PROTECTION

DBI-SALA Rope Grab automatically follows the worker, providing maximum freedom of movement. This rope grab utilizes both inertia and cam locking system for added safety.

It can be installed or removed at any point on the lifeline. The rope grab utilizes a cam lever as well as friction sensitive brakes to lock the rope grab onto the lifeline in case of a fall, even if the operator holds the device open.

(\$ 145.00)

DRÄGER PAS LITE THE COMPLETE PACKAGE

With a proven design and high quality pneumatics, the Dräger PAS Lite ensures consistent high performance and reliability over the lifetime of the apparatus with minimal maintenance.

The carrying system features an ultra lightweight, high strength carbon composite space-frame having excellent impact, heat and chemical resistance, as well as outstanding durability.

30 Min. Cylinder & Mask Included (\$1,450.00)

DRÄGER PAS COLT SHORT-TERM EMERGENCY UNIT

The Dräger PAS Colt has been fully approved for use in applications requiring either; short duration entry units, airline emergency escape breathing apparatus, or dual function.

It can be equipped with supplied air or a 5 minute or 10 minute escape cylinder.

5 Min Cylinder & Mask Included (\$1,250.00)

**DRÄGER QUICK-AIR
ESCAPE PACKS
5 Min (\$ 575.00)

DRÄGER PAC 3500 SIMPLE & WEATHERPROOF

Workplace safety devices need to be fast and accurate. That is why the Dräger Pac 3500 is ideal for the personal monitoring of industrial carbon monoxide, hydrogen sulphide, along with being maintenance-free for up to two years.

With the Dräger Pac® 3500, no alarm goes unnoticed. It features a clear, multi-toned signal and visual alarm in the form of a bright, flashing 360-degree LED on the top and bottom that also vibrates.

(\$ 102.00)

Upgraded models include more options for all major industry gases.

DRÄGER PAC 5500
(\$ 178.00)

DRÄGER X-DOCK 6300 BUMP TESTING & CALIBRATION

The Dräger X-dock series provides you with full control of your portable Dräger gas detection instruments. Automatic bump tests and calibrations with reduced test gas consumption and short testing times save time and money.

The station is operated via an integrated touchscreen. A gas detection instrument is detected as soon as it is inserted, and all data is documented in the database.

(\$ 2,060.00)

(\$ 115.00)

GAS ALERT CLIP XT II

A SMALL, BUT EFFECTIVE SOLUTION

GasAlertClip Extreme 2 provides a vibrating alarm for workers in noisy environments. The internal software provides data logging, multi-language support, and passcode protection. The very compact design prevents work interference. Self-test of all components occurs on start-up.

GasAlertClip Extreme 2 is fully compatible with MicroDock II automated test and calibration system.

GAS ALERT MAX XT II

POWERFUL MULTI-GAS MONITOR

GasAlertMax XT II is the smart, simple, and economical way to compliance. GasAlertMax XT II reliably monitors up to four hazards and combines straightforward one-button operation with our robust, motorized pump for intelligent, remote sampling, ideal for confined spaces.

The GasAlertMax XT II is fully compatible with MicroDock II automated test and calibration system.

(\$ 810.00)

TOXIRAE 3

PERSONAL MONITOR

This portable single-gas monitor is designed to keep workers safe against the threat of carbon monoxide (CO) and hydrogen sulfide (H₂S).

With its water and dust-resistant housing, and three-alarm capability, it's a valuable tool for ensuring workers' safety.

(\$ 95.00)

ANSUL® SENTRY THE PERFECT CHILL

Sentry ABC dry chemical fire extinguishers are compact and portable, and designed for any fire protection needs.

All extinguishers are designed to fit most wall mounted storage cabinets. Additional vehicle brackets, wall mounts, or wheel options are available for purchase.

- 5 lb. (\$ 55.00)
- 10 lb. (\$ 88.00)
- 20 lb. (\$ 130.00)

CONSULTING WE'RE AWESOME AT THIS

Consulting has played a significant role with our more than a half-century of experience in the Petrochemical Industry. We share your objective of keeping your job compliant and low-risk through keeping your employees knowledgeable and safe.

We help you succeed by sharing our extensive knowledge into the constantly evolving safety and emergency response needs of the oil, gas, and petrochemical industry.

SCOPE

- Complete Well Site Supervision
- Air, Mud, & Mist Drilling
- Completions/Workovers
- Petroleum Engineering
- Exploration Prospects
- Reservoir Performance Reviews
- Formation Evaluation
- Reservoir Engineering Analyses
- Corporate/Single Property Evaluations
- Safety Training Evaluation
- ISNetwork
- Compliance Audit Inspection Services
- Safety Supervision & Personal Monitoring
- High Risk Compliance Packages
- Design/Perform/Conduct

EnerSafe also offers consulting services for fire fighters, EMS personnel, and well site work.

EXPERIENCED **CONSULTING** THAT DELIVERS RESULTS

OUR **SAFETY** GUARANTEE

SAFETY SERVICES INSTALLATION/MAINTENANCE

We set the industry standard with our unparalleled combination of elite HSE professionals and cutting-edge equipment.

With an exclusive service inventory, we take pride in offering an unrivaled variety of top-level H2S services that will ensure a stronger safety culture and **guarantee compliance with state and federal regulations.**

SCOPE

- Gas Detection & Monitoring
- H2S Safety Supervision
- Permanent Installations (Cascades)
